

You will need:

- pipe cleaners
- small beads
- colored paper
- markers, crayons, or pencils
- scissors

optional:

- hole punch

SPRING FLOWERS

1

Wrap one end of the pipe cleaner around a bead.

2

Cut flower shapes out of paper. You can use our template or create your own flower shape.

3

Punch or poke a hole in the center of your flower shape. Slide your flower onto the pipe cleaner. Maybe add 2 flowers!

4

Fill the rest of the pipe cleaner with beads.

(Maybe add a paper leaf?)

5

Wrap the end of the pipe cleaner around the last bead to hold it in place.
