

CARDBOARD TUBE BATS!

You will need:

- cardboard tube
- colored paper
- pipe cleaner
- glue or glue stick
- markers, crayons, or pencils
- scissors

optional:

- round stickers (for eyes)

- 1 Glue paper around a cardboard tube.
- 2 Cut out wings and glue them to the sides.
- 3 Cut circles for eyes (or use stickers) and draw eyeballs and a mouth (maybe some fangs?).
- 4 Punch 2 holes, opposite each other, at the bottom of the tube.
- 5 Slide a pipe cleaner through the holes.
- 6 Twist the ends together and hang your bat from your arm - or wherever they want to hang out!
