

PAPER DOLLS

- 1 Accordion fold a strip of paper (fold in half so the short ends are together, then fold each end back towards the center).

You will need:

- long strips of paper (4 1/4 x 17")
- crayons
- template
- paper scraps, yarn, stickers, etc. for decorating
- glue stick

- 2 Cut out the paper doll template. Using the template, trace the doll shape onto your accordion folded strip of paper. the arms should touch both folds

- 3 Cut along the traced line, cutting through all four layers. (Be careful not to cut the hands apart at the fold)

- 4 Unfold your dolls and add faces, hair, and clothes.

Fold more paper and make more dolls!
