

pom pom

BUGS!

- 1 Choose a large pom pom for the body of your bug.
- 2 Wrap pipe cleaners around the pom pom and twist them together to hold them in place. Bend the pipe cleaners to make legs. (You can do the same thing to make antennae.)

- 3 Glue on eyes and any other details you want to add.

You will need:

- large pom poms
- pipe cleaners
- glue or glue sticks

optional:

- feathers
- paper
- beads
