

# let's build SNOWFOLK!

## You will need:

- Crayola Model Magic® or modeling clay
- beans
- sticks and/or toothpicks
- beads & buttons
- scraps of fabric & yarn
- markers (optional)

- 1 Roll your Model Magic into balls. Stack the balls to build a snow person.
- 2 Decorate! Add arms, eyes, buttons, maybe a hat? Whatever you want your snow person to have!
- 3 Optional: Add color with markers.
- 4 Or do it completely differently - It's up to you!
- 5 Let your snow person dry overnight (or according to the instructions for your modeling clay) and enjoy!
